Volunteers / Coaches

All Coaches are volunteers who give their
time to help with the programs. While
we have a few volunteers that are with us
year after year, the majority of our
Coaches are mothers and fathers of the
players and change from year to year.

We rely on you, as parents, to step
forward when asked to assist in any way
that you are able in order to make the
program a success.

All Coaches are **REQUIRED** to complete
a Coaches Application. We will have
these available during the registration
period.

Completion of this application does not
guarantee you a Coaching position.

A valid Drivers License and

Social Security # are required.

Your child will be placed on your team.

The Greenwood County Parks & Recreation
Department's facilities are open to
everyone, regardless of race, color,
national origin, age, handicap or sex. The
program is designed to give youth residing
in the area the opportunity to play in
an organized and adult supervised
youth program.

Physically:

While physicals are not required, it is recommended
that parents take all necessary precautions to ensure
that their children are physically able to participate in
the sport for which they have been registered.
